

## OfficeMax® Lets You Print From The Road With First Full-Service Mobile Print Center Application

June 29, 2011

**Ever wish you had a printer on the road? New mobile application brings convenient access to OfficeMax ImPress® Print Centers nationwide for reliable printing and document services**

NAPERVILLE, Ill., June 29, 2011 /PRNewswire via COMTEX/ --

OfficeMax® Incorporated (NYSE: OMX), a leader in [office supplies](#) and services, today announced the launch of the first full-service Mobile Print Center Application from OfficeMax. Providing access to more than 900 OfficeMax ImPress® Print Centers at OfficeMax retail stores nationwide, the free mobile application enables reliable, efficient printing for mobile users on-the-go. Designed for iPhone® and Android(TM) devices, Mobile Print Center by OfficeMax makes it easy for users to access, upload and print documents and images from their mobile devices and schedule items for pick-up at any OfficeMax ImPress print center nationwide.

"OfficeMax listened to our 'road warrior' customers who need to print on-the-go and often feel their documents are trapped on their phones," said Jeff Haddon, Mobile Marketing Manager for OfficeMax. "With hundreds of in-store print centers across the country, we designed the Mobile Print Center by OfficeMax app to bring our print services to a mobile audience."

Mobile Print Center by OfficeMax enables users to access documents and images for printing from their mobile devices, on-device email, Google Docs(TM) program or from past Mobile Print Center orders. Users can customize print orders including paper size and type, color, binding and more. The mobile application provides a store locator with driving directions for order pickup. Upon placing orders, customers receive a confirmation call from the OfficeMax ImPress Print Center to confirm order total and pick-up time. Users can also opt-in to receive mobile text messaging alerts on order status. Standard text messaging fees may apply.

The Mobile Print Center app by OfficeMax is currently available for download free-of-charge on the iTunes®App Store(SM) at <http://itunes.apple.com/us/app/print-center/id440746146> and Android Market at <https://market.android.com/details?id=com.officemax.impress>. In addition to Mobile Print Center, OfficeMax features mobile applications for browsing, shopping and staying updated on special offers available at no charge to users at [www.officemax.com/mobile](http://www.officemax.com/mobile).
